

Your Chance...

Our Catholic schools are so very important to the future of our world. Within a Catholic school, students are educated **academically, physically, socially, and spiritually.** Parents make financial sacrifices to send their children to a Catholic school so their children can learn to live as Jesus did—with love and compassion for others.

Sometimes parents cannot manage this alone, and that is where you can help. With a gift to the St. Dominic Tuition Assistance Fund, you can make a difference in the life of a family within our community. The St. Dominic School Tuition Assistance Fund exists to assist families that desire a Catholic education for their children but cannot afford it.

Are you looking for a way to make a tremendous impact with your giving? **Please consider a gift of a Catholic education—it is a gift that will last a lifetime.**

TUITION ASSISTANCE PROGRAM

The History of the Tuition Assistance Fund

The St. Dominic School Tuition Assistance Fund was started in 1994 by Fr. Don Elverman, pastor of St. Dominic Parish from 1985 to 1995. He was celebrating the 40th anniversary of his ordination, and all gifts given to him on that occasion were used as seed money for this fund.

Since that time, there have been numerous tuition grants awarded, and many lives have been touched and changed through the donations of generous benefactors.

"I feel so blessed that my children have the opportunity to attend this wonderful school. We couldn't have done it without help."

Message from the Principal

We at St. Dominic School believe that no one should be denied a Catholic education for financial reasons. With this philosophy in mind, our St. Dominic School Tuition Assistance Fund was established. I invite all of you to support this fund that helps ensure a Catholic education for all who seek it. There's no better way to spend your money than to touch the life of a child. Thank you so much!
